

ART IS NOT JUST DEFINED BY THE WORKS WE SEE IN MUSEUMS, BUT SHOULD BE CONSIDERED EXISTENT IN EVERY PERSONAL EXPRESSION. IT IS HIDDEN IN WHAT IS DONE, NOT HOW. IT'S A STATE OF BEING THAT GOES BEYOND THE CONVENTIONAL APPROVAL OF ART; IT IS SOMETHING WE ALL HAVE ACCESS TO INSIDE OURSELVES. COLOR IS THE JOYFUL EXPRESSION OF OUR ANCESTRAL SPIRIT. MASK WITH VIBRACHROM™ IS OUR TRIBUTE TO ART.

MASK WITH VIBRACHROM™

CONDITIONING PERMANENT COLORING SYSTEM

FEATURES & BENEFITS

- Inspired by beauty, art & creativity

MASK WITH VIBRACHROM™

CONDITIONING PERMANENT COLORING SYSTEM

RE-PIGMENTATION USING MASK WITH VIBRACHROM™

1. Select replacement tone(s)
2. Mix 1 part color + 1.5 part 5 vol.
3. Application: Apply the mixture to freshly shampooed damp hair to the areas of the hair that require re-pigmentation
4. Process 10-15 min.
5. Rinse only and dry the hair before applying the target color
6. Apply target color and follow Mask with Vibrachrom rules

MASK BLEACHING POWDER

- Mixing ratio is 1 part Mask bleach + 2 parts Activator
- Creamy consistency for easy application
- All-purpose white powder bleach
- Ideal for highlighting effects
- Perfect for color cleansing
- Processing time is up to 40 mins and can be used with 5, 10, 20, or 30 vol. Off scalp bleach

MASK WITH VIBRACHROM BLEACHING POWDER
